## MIL DUROS “3 son multitud”

Attentive as always what happens in Valencia, PSM Music bet this time by a band of pure rock & roll without compromise ... Let us open our ears to not miss a note of the **MIL DUROS**.

It's only three, but what else?, Are able to create a wall-based guitar, bass and drums, painted with the voice and the lyrics of **Oscar** ending point of giving personality that **MIL DUROS** and along with some texts rabidly latent but easy to remember, give **MIL DUROS** that uniqueness that distinguishes them in the rich panorama of **rock & roll**.

A demo and soundtrack of the film "El Número Siete" by Jordi Montañana are the only record before this debut album "**3 Son Multitud**" produced by Carlos Ortigosa & Mil Duros and that was recorded in the studios of Music Rooms in Xirivella except one song that was recorded in Requena.

## RABIA is his first hit single

Highlight specific topics of "**3 Son Multitud**" is not easy, they have taken so long to ripen, the result are the ten best songs (from a wide range), it is as if they had begun with a "Best of ... ". But as he had to propose. We started with "**Rabia**", a story of heartbreak emerged an afternoon in which "the muses" visited Oscar's room. Also, do not overlook other cuts like "3 son multitud", "Dime" or "El Solitario", with that subtle touch swing. Songs all, that although composed by Oscar, have been receiving contributions from the other components of MIL DUROS in the rehearsal room.

## The short history of the band, we were told by themselves:

*"Mil Duros are a band from L'Horta Sud (Valencia). Some time ago three guys from Paiporta lads got together to play the songs of the groups that we liked (Benito Kamelas, Platero y Tu, etc ...). The training was gradually creating their own songs, was Oscar (guitar and vocals), Sense (drums) Kaly (bass) and Jorge (guitar). After many concerts in December 2005 decided to record his first demo, released in May 2006. Today **Mil Duros** is a trio with **Oscar** at guitar, vocals and lead vocals, **Carlos 'Sense'** on drums and vocals, and **Francisco 'El Varilla'** on bass. Never lose the desire to play and stay tuned because any day, any time, have the chance to watch or listen to the Mil Duros. Health and Rock & Roll "*
